## **VISION STATEMENT**

**As a purely indigenous engineering firm, our dream is to be seen as one pioneering the development of the various test equipment and manufacturing of consumables spares for advancement of Electrical and Instrumentation work in our nation**

**To set up and manage a well Equipped Instrumentation and Control Training Centre that will be of constantly relevance in the industry.**

## **MISSION STATEMENT**

**To provide our customers with High-Technology, premium quality products delivered in a timely manner and supported by a strong sales, service and distribution system.**

**To contribute to the overall success of your business by being a customer responsive organization dedicated to zero defect supplies and services by developing manufacturer relations that focus on the highest quality products /services delivered in timely manner.**

**To promote a creative, challenging, and motivating work environment based on mutual trust, open communications and teamwork. Employees will be encouraged to participant in decision-making. We will operate in an atmosphere of mutual respect and honesty and above all will be sensitive to the needs of others.**

IRO-VESTER ENGINEERING LTD is a Private limited liability company duly registered in Nigeria in 1991. We have over 15yrs of experience in oil and gas industry. Currently occupying approximately 1,359.86 Sqmter space

It is aimed at:

- Providing Engineering in Real Time
- Technical back-up in Engineering and Allied Services to Oil and Gas Industries including the Allied company.
- Providing E & I project design and management
- Providing E & I Facilities upgrade
- Providing a standard and well equipped instrument laboratory/workshop services
- Instrument calibration
- Valve repair
- Electrical/instrument control panel construction and stimulation
- Training Programme on Instrumentation and control engineering

Our clients

## WORK EXPERIENCE

S/N	JOB DESCRIPTION	CLIENT	CONTACT	REMARK
1	Wellhead Control Panel Construction and Fabrication	Savannah/ Accugas	Tochukwu Osuji 0811 393 6414	Completed

## To Whom It May Concern

INTECH Process Automation Nigeria Ltd. Would like to confirm that we would be providing support M/S IRO—VESTER ENGINEERING LTD located at 4 BrainField Nur/Pri Sch Road off East West Road, Port—Harcourt Rivers State Nigeria as their technical partner for execution of project for "Provision of Automation and Control System Services.

We also confirm our intention to provide technical assistance along with OEM support to M/S IRO—VESTER ENGINEERING LTD for project upon technical qualification.

If you need any additional clarification please do not hesitate to contact me.

Your sincerely

INTECH Process Automation Nigeria Ltd

Fiorenzuola d' Arda, 17 September 2015

To whom it may concern

Dear Sir / Madame,

We are pleased to introduce to you **QUAM** as Italian manufacturer of Oil & Gas Equipment.

We manufacture a complete range of products for Wellhead completion and more in detail:

- Manual & Actuated Choke Valves;
- Manual & Actuated Through Conduit Gate Valves;
- Liquid Discharge Valves;
- Hydraulic Power Units & Actuator Control Panels;
- Well Head Control Panels.

We hereby confirm our full cooperation and support in the Nigerian Market / among Nigerian Customers for business growth of our products to

**IRO-VESTER Engineering Ltd.**
